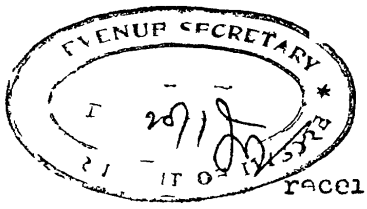
Sir,

Subject - Enhancement of House Rent for the building taken up for the location of the Municipal High School at Nyamati-



In forwarding herewith in original the correspondence received from the President, Nyamati Municipality- Vide his report No M1 C 30/46-47 dated 17-10-46 on the subject noted above, I have the honour to state as follows -

"T"

While sanctioning the starting of the Municipal High School at Nyamati, Government in their order No D 1226-8/Edn 200-44-20 dated 15th September 1945, had ordered that the Nyamati Municipality ~~xxxxxx~~ should select and provide a suitable building for housing the High school temporarily ~~xxx~~ until a new building is constructed and that the rent if any on this account should be borne from the funds of the Municipality

In pursuance of the aforesaid order the I Year Class of the High School was started last year i.e., 45-46 in a private building on a monthly rent of Rs 20/- per mensem Under Rule 27(b)(e) the payment of house rent at Rs 20/- p.m. from the Nyamati Municipality had been sanctioned by this Office

The Municipal President reports that consequent on the starting of the II year class during the current academical year, it was found quite necessary to effect certain additional improvements to the building so as to suit the housing of two classes I and II year in the

in the building. He adds that the owner has incurred heavy expenditure in this connection. In view of the additional facilities provided the owner of the building applied to the Municipality for enhancing the house-rent from Rs 20/- to Rs 40/- p m

The Municipal Council considered this aspect of the question at their meeting held on 30-7-46 and passed a resolution to the effect that the house-rent might be enhanced from Rs 20/- to Rs 30/- per mensem for the current year 46-47 i e , from 1st July 1946 to end of 30-6-47

The expenditure on this account is proposed to be met from out of the provision made under- "F Public - Instruction" in the current years' sanctioned Budget of the Municipality

The Municipal President Iyanati in supporting the resolution of the Municipal Council reports that the owner of the (High School) building has effected considerable improvements. He recommends that the payment of - enhanced rate of house rent might be sanctioned

With regard to the construction of a Pucca building for the High School, I write to state that necessary plans and estimate for the purpose have since been obtained from the Public Works Department. The new building is estimated to cost Rs 41,000/- The donation of Rs.23,000/- collected for the High School building is available for the purpose

The proposal of the Municipal Council to obtain the balance cost of Rs.18,000/- (Estimated cost Rs 41,000/- minus, Rs 23,000/-(donations collected) over and above the amount of donation collected, as Grant from Government has - separately been forwarded to the Director of Public -
